## Wed Fifty-Five Years

—Photo by Frank Halliday.

### Mr. and Mrs. Thomas J. Koch

Residents of the Strathmore district since 1910, when they went there to farm, Mr. and Mrs. Thomas J. Koch are receiving the congratulations of many friends on the occasion of the fifty-fifth anniversary of their wedding, which fell on Sunday.

Mr. Koch, who is 79 years of age, is retired now, or "supposed to be," but he still does all the work of the farm, and Mrs. Koch, 74, looks after a flock of three hundred chickens, which are her particular interest.

The above is a recent picture of Mr. and Mrs. T. J. Koch of Ardenode, taken for their 55th Wedding Anniversary which was celebrated on Sunday, February 1st.

Rev. and Mrs. Hunt, Mr. and Mrs. Garrett and Mr. Miner were visitors at their home during the afternoon and in the evening many neighbors surprised them, bringing with them an abundance of good things to eat, and sincere expressions of the warm friendship all feel for this worthy couple.

They were both born in Illinois and were married at Edwardsville. They

came to Strathmore in 1910 and have since resided north of town.

Their fiftieth wedding anniversary was held in Edwardsville, Ill. at the home of Judge and Mrs. Jesse R. Brown. Open house was held on that occasion and more than three hundred guests called to give their best wishes.

Both Mr. and Mrs. Koch are enjoying good health and are looking forward to celebrate their 60th in which their many friends join.

Mr. and Mrs. Koch have two children, Dr. George E. Koch of Strathmore, and Mrs. William J. Roa of St. Louis, Mo., and five grandchildren.

## WEDDING

FORD — HAYLOCK

A quiet but very pretty wedding was solemnized in St. Michael & All Angels' Church, Strathmore, Saturday, January 31, at 4 p.m. when Paymaster Sub-Lieut. A. H. Ford, R.C.N., second son of Mr. and Mrs. H. W. Ford of Calgary was united in marriage with Phyllis Muriel, eldest daughter of Mr. and Mrs. H. J. Haylock of Nelson, B. C., and niece of Mrs. E. N. Ridley.

Rev. Leslie T. H. Pearson was the officiating clergyman. The wedding music was effectively played by Miss Violet Hyde.

The bride given for the occasion a very becoming rose crepe gown, with matching turban, and a corsage of violets and pink rosebuds.

The bridesmaid was Miss Edith Garbutt who wore a blue crepe gown with matching hat and a corsage of pink rosebuds.

Mr. Earle Beck of Calgary was groomsmen.

Following the ceremony a small reception was held at the home of Mr. and Mrs. E. N. Ridley for immediate friends of the family only.

For travelling the bride changed into a grey wool crepe frock over which she wore a seal coat. Her accessories were in scarlet.

A brief honeymoon was spent in Banff, bridgroom for a couple of days to the bridegroom's parents. They left Wednesday for Sydney, N. S. where

## SILVER WEDDING ANNIVERSARY

MR AND MRS F. J. SCHUMANN CELEBRATE SILVER WEDDING

On Saturday evening about 36 people gathered at the home of Mr. and Mrs. B. F. Jones in honor of the 25th wedding anniversary of Mr. and Mrs. Fred Schumann. Best wishes and congratulations were extended to them by their many friends.

After lunch was served, Mrs. North on behalf of the friends gathered, proposed a toast to the honor guests and presented them with a set of silver teaspoons and a berry spoon. Mr. and Mrs. Schumann responded, expressing their warm appreciation for the good wishes and the lovely gift.

The table was very attractively decorated with pink and white streamers centred by an artistically decorated wedding cake.

A musical program was given by the younger folks present and the evening was spent in visiting and happy reminiscing. "Auld Lang Syne" completed a very happy evening.

The groom is stationed. En route they will visit relatives in Windsor, Toronto and Ottawa.

Mrs. Ford (nee Phyllis Haylock) has frequently visited in Strathmore where she has many friends who will unite in best wishes for a very happy future.

## NEWS FROM O'SEAS

The following items from a letter written by Bill Backs to Jimmy Swanson will be of general interest to Strathmore friends.

● "You see I am writing from your sister's home in Scotland. I had a few days leave and came up here where I am made very welcome and treated as one of the family. Thanks to you for the address. The town is a little bigger than Strathmore. I also met your brother Andrew. He lives quite near Edinburgh.

We went for a walk in the country that afternoon and Andrew pointed out all the historical sights and places of interest. This sure is a picturesque country. I had a good look at the heather of course, because I had heard so much about it.

Your niece, Nancy was showing me some pictures of yourself when you were with the army during the last war. They have quite a collection which I am sure you would be interested in seeing again. Mrs. Thom says to tell you they received your Christmas card. On my next leave I hope to see your brother Gordon at Calthness. It is quite a piece further north and I shall not have time on this leave.

Of course the people are a bit old fashioned around here still. They cook over an open fire place, and send me to bed by candle light. I sure like the fireplaces though, they are very pretty and I like to sit by them at night.

The food shortage is not nearly as serious as I had thought and the people are living very well. Sugar and milk are scarce but we get enough of everything else. I had to bring along a ration card and give it to Mrs. Thom so she could draw extra rations for me while I'm staying here. They are spoiling me, by making me drink tea four times a day.

I'll be a regular Scotsman before I leave. I have no trouble to understand the Scotch people although I have to guess at some of the words they use. Films are very scarce over here and I haven't been able to get any in Haddington. I have a few snaps left in my camera and will try to get a picture of the folks to send you. Your sister Jessie's boy is in Mt. Hope, Ontario, and is training with the R. A. F. there.

I may not be here long—and may not see your sister again. I cannot say any planer on paper. I guess you know what I mean. Would you mind letting my sister Jean know, if you get this letter.

I am leaving for my station tomorrow night, and I want you to know that I have enjoyed every bit of my stay here, and I don't think I could have been made to feel more at home any place. I'm looking forward to my next leave in Scotland.

We are going out now for a drive to see some of the small surrounding towns.

We arrived in Edinburgh at 4 a.m. and took a bus to Haddington. It was foggy and dark, so I couldn't see much of the city. I noticed a lot of monuments, where streets intersect and many spires and pillars. The buildings seem to be all stone and very grey and cold. In a blackout you can imagine what it looked like.

Well will sign off now.

Yours sincerely, Bill.

Housewives who are putting up marmalade may obtain a sufficient quantity of sugar for these requirements, the wartime prices and trade board said in Ottawa.

## NEW ARRIVAL

Added to the ever swelling list of new arrivals in Strathmore is one at the Len Roberts household.

Though not yet even a month old, the latest arrival shows signs of becoming the "black sheep" of the family. It seems a very husky young fellow, and weighs nearly all of twelve pounds. At present the lamb is not even tolerated in the house but is quartered in a large box near the coal bin—very fitting for a young lamb, back though it may be. The lamb is intended as a family pet, and is very well looked after by the boys.

## THE 'OUT-SIDE'

### ● Dr. Kerby Re-signs—

Rev. John H. Gordon has been appointed Principal of Mt. Royal College, succeeding Dr. Kerby who has held the position of Principal since its establishment in 1910.

Rev. Gordon was one time pastor of Scarboro Church.

● Edmonton—Dr. John W. Shipley, professor of chemistry at the University of Alberta since 1930, will retire when the current university term expires in April. Dr. Shipley taught school for 10 years at Okotoks, Calgary and other places in Alberta.

● Edmonton—The war has resulted in an alarming increase in juvenile delinquency in Alberta, during the past year, T. H. Bidler, superintendent of the provincial child welfare department, said recently, blaming the prevalence of delinquency on the war and parents themselves. In many cases the heads of families have gone away to war and laxness in discipline has resulted in the homes.

● The soldiers are to have a vote on the plebiscite. They will likely vote favorably, though when Australia had a referendum on conscription in the last war the men in uniform gave a majority against.

### ● Illey Asks Increase—

Mr. Wood said he had had no information from Ottawa that the government desired an increase in beet sugar production in Canada. (Hon. J. L. Illey, finance minister, stated Wednesday in the House of Commons he had instructed the sugar controller to ask an increase in domestic beet sugar in Canada this year.)

The matter of disposing of manufactured sugar in the face of a contemplated cut in prairie consumption of perhaps 30 per cent is one problem involved in any beet acreage increase, Wood, Manager of Raymond Sugar Beets Co., said.

● Japs are to work on the Highway from Jasper West says B. C. Gov't.

● Ralston Says B. C. Coast Protected

Ottawa—Assurance that defence of the British Columbia coast is being treated "with the seriousness which it deserves" and that certain equipment which "no other part of Canada has" is available in that area "as been given by Defence Minister Ralston.

The minister made these statements last night in the house of commons when he interrupted a speech in which Howard Green (Con., Vancouver South) charged that Pacific coast forces are inadequate and inefficiently armed to meet a Japanese attack which he felt sure will come "sooner or later."

Col. Ralston also interrupted Mr. Green to tell the house the "protected area" on the B. C. coast from which enemy aliens will be removed now has been defined and will be announced "at once."

"May I ask the minister what it is?" Mr. Green queried.

"It is a line hundreds of miles long," Col. Ralston replied. "It is a matter for a map."

ing in order that the municipal assessment valuations for the year could be obtained before the estimates are passed.

## Victory Loan Campaign

The Victory Loan Committee will meet Friday night in the Municipal office to formulate plan of campaign. Canvassers will be appointed, and zones laid out.

The committee expects to have everything in readiness to commence the campaign about the middle of February.

These men are giving their time for the benefit of Canada—to help provide the means to preserve our freedom.

Meet them cheerfully and liberally when they call for your contribution.

Committee—Chairman, E. N. Ridley; Unit Organizer, T. S. Hughes; Secretary of Committee, H. McGregor; Committee, Jas. Harwood, Gedgew Quirin, T. E. Wright; General Secretary-Treasurer, Mr. John Freeman.

## WHEATLAND S. D. HOLD MEETING

The first meeting of the Board of the Wheatland School Division No. 40 for the year 1942 was held at the Strathmore office Tuesday, Jan. 27th.

The personnel of the Board is the same as last year the two members whose term of office had expired having been re-elected. These two members Mr. F. A. Campbell, for sub-division No. 3 and Mr. E. A. Wagner, for sub-division No. 5 took the declaration of office. Mr. F. A. Campbell was re-elected as Chairman for the year 1942 and Mr. E. A. Wagner was elected as Vice-Chairman and the regular business was then proceeded with.

Mr. Frank J. Ewing of Irticana was appointed Auditor for the year.

It was decided to co-operate with the Dept. of Education for the preparation and installation of a Cumulative Pupils Record Card System, to be on file at the Divisional office. This system is intended to give a complete year to year record of each pupil's progress while attending at any school within the Division.

Mrs. M. L. Sowdon was engaged as substitute teacher to replace Miss C. M. DeMarce at Crowfoot school, Miss DeMarce having been given leave of absence for service in the Women's Auxiliary to the R. A. F.

Miss Mary J. Toews was appointed as substitute teacher for Antler Jr. school, replacing Miss L. R. Clark who left the teaching staff at the end of December.

The budget for the year 1942 was considered and tabled until next meet-

## EDUCATION WEEK

### Programme at Strathmore Friday Night

Many parents availed themselves of the opportunity offered by the teachers to visit the various rooms of the Strathmore Schools and observe some of the work carried on by the children under the supervision of the teacher. That the present set-up creates an active interest for the pupil and has transformed the school from a thing of dread and fear to an atmosphere of interested activity is very evident.

At 8 o'clock all gathered in Principal Crowther's room in the High School, where extra chairs were brought in to accommodate the numbers present, the largest in the history of this function in Strathmore. Mr W. I. MacKenzie occupied the chair in a very pleasing manner.

Opening the program were three groups of children of the Junior grades giving examples of choral speech. This was very interesting, and the moaning of the wind and the hissing of the s. s. etc., etc. in the respective poems cannot but awaken in the pupils a live understanding of the selection. This was under the supervision of Miss Gordon, Miss M. and Miss J. Smith.

The Chairman then announced the speakers, calling first on Mr Norman Bragg of Namaka.

Mr Bragg in his opening remarks mentioned that in his almost 10 years experience, 6 had been spent in schools where English was not spoken in the homes. In the Danish section he had co-operation in that the parents at home encouraged talking in English but in the other district, this was not done, which created quite a handicap and retarded the progress of the pupil. In the former case the pupil overcame his handicap in one year.

Mr Bragg mentioned the various influences that come into a child's life and urged the sympathetic co-opera-

tion of parent, pupil and teacher. Speaking of the various types of childhood, Mr Bragg stated that teachers in observing children in their play or sports could observe the tendency of the child and thus may frequently have information that would be helpful and essential to parents.

He divided his interesting and practical address into the following three headings.

1—The Meaning and Purpose of Education.

2—The Nature and Need of each Child.

3—Methods and Technique that may be used to best advantage.

The speaker said it is our aim to develop from the pupils of today, men and women whose word is as good as their bond. The chain of helpers to this end includes the home, the school, Sunday School, Cubs and Scouts. It is through education that our children reach up to open the door knob of the world. Even in a democracy, some must rule and others be ruled — but all can work together for the common good.

Rev. Clegg was next introduced by the Chairman.

Mr Clegg warmly approved the idea of opening the evening's program, by the Choral Speech examples so ably contributed by the children.

This Business of Education Mr Clegg described as the greatest business of any generation.

Before this all other enterprises and obligations, must give way. It is at this point civilization succeeds or fails.

Nature has endowed every child with infinite possibilities, left without the right training, these capacities for good may become instruments for evil. How important then is the leadership given to growing childhood.

Canada has reason to be proud of her Educational Institutions. The speaker then paid a high tribute to Rev. Dr. Edgerton Ryerson, founder of Upper Canada Academy in Toronto. In 1844 he was made Supt. of Public Schools in Ontario (then Upper Can-

ada) and is known as the father of the Ontario School System, on which the public schools system of Canada are based.

Following, Mr Clegg said education formerly known as the 3 R's — read, hand and heart, and for the fuller development of this — the education of the child depends on the Home, the School and the Church.

The speaker forcibly advocated the formation of a Home and School Group with the Church co-operating.

Mr Clegg said he hoped to see a National Fund established to assist any boy or girl in obtaining an education who would otherwise be unable to secure one.

The Christian world is confronted with its greatest challenge, and the greatest opportunity in a century. Let us arise to the occasion.

Mr MacKenzie next introduced Mr. M. MacLeod, Inspector for Wheatland S. D.

Mr MacLeod gave a very strong exposition in favor of the new methods of teaching now being used.

He said there existed often a suspicion of those having new ideas, and some deplored the fact that Education is not the same as some 20, 30 or 40 years ago — in answer to which the speaker said how many farmers are today using a one-horse plow or a horse-buggy instead of a car or truck, or candles in place of electricity? Then can we expect the system in education to stand still?

The speaker affirmed there may be some confusion today as thinkers are pioneering in education.

The old system had its good points in that it was fairly easy to understand, while today it may be more complex — but the changed curriculum or added option by which a boy or girl may now obtain a high school certificate is of great moral value.

Every boy and girl has a right to this consideration. The speaker deplored the system of competition as opposed to co-operation, where the idea was to "beat" not "pull with" the other fellow.

Every boy and girl has the right to the best education whether that leads to a doctor, cook, carpenter or busi-

nessman.

Thos. E. Wright

Mr MacLeod eulogized highly, results of some of the Enterprise teaching he has seen in the Division in which the primary needs of men, the fundamental skills, method of government, etc., were taught faithfully and interestingly giving the children a first hand knowledge and interest and understanding, which they never did obtain by the old method.

Again referring to the options the speaker emphasized their value — by asking — why not develop the boy's God given ability — and make a useful citizen, whereas before if not able to master the stated subjects — and thereby be pushed out of the door — he might enter the window, as an enemy of society.

Referring to the High School curriculum, the speaker stated there are only three compulsory subjects, English, Social Studies and Health.

The aim of today is to develop thinking men and women ready to co-operate and unless we learn the need of co-operation we are going to have a lot of Pearl Harbors. Mr MacLeod summed up his remarks under the two big captions.

1st— The student must learn to co-operate and work in groups— If he cannot, he has lost the better part of his education. But he must learn to think alone. Christ went out into the mountain to think alone, so did Mahomet.

2nd— The aims of Education are to develop personality of which Shakespeare's quotation — "Here is a Man" could be truly applied.

The Chairman expressed the appreciation of all present for the very interesting address.

The meeting closed by singing "God Save the King."

## Thrift EQUIPS MEN

For the men of Canada's army, only the best will do. From tin hats to service boots their equipment must be the finest Canada can produce.

Good equipment costs money... large sums of money. And that money must be provided by the men and women of Canada out of current income.

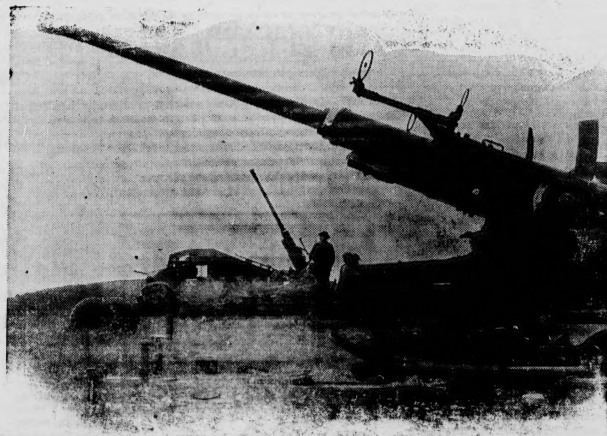

How? By honouring pledges to invest in war savings certificates every month. By saving now, to pay war taxes when due. By saving now, to invest in Victory Loans should further loans be necessary.

This means that every Canadian must learn to do without some of the things he normally enjoys. Watch your spending. Stern duty demands that we Save for Victory now.

► This Book will help you save. The Royal Bank Family Budget Book shows you how to budget your income, how to save by planned spending. Ask for a free copy at your nearest Branch.

**The ROYAL BANK of Canada**

## FEBRUARY'S VICTORY LOAN

## WE MUST WIN—

Today the free peoples of the world are banded together in a gigantic battle to preserve freedom.

The foes of freedom are strong, well prepared, ruthless.

To defeat them we must become stronger, better prepared. The only way we can do this is to provide our fighting forces with stronger weapons, better weapons and more of them.

That is the reason for the new Victory Loan and that is the reason why you should lend your money to Canada—to win the fight. Our fighting forces are risking their lives. Surely we should not question or hesitate, to lend our money in the cause of free-dom.

## ROCKYFORD

— By K. M. G. —

The annual meeting of the Rockyford town council and ratepayers was held at the office of Mr. Williams, the secretary on Friday evening, Jan. 30. A very good year was reported from the Auditor's statement, taken from books and records, and a vote of appreciation was extended from the meeting for the work done on roads by the Evaluators and by the Catholic Church. A committee was appointed to go into the business of purchasing the projection machine for Christmas. Short, if it is found to be the wish of the people to have local movies in town. Nominations for councillor resulted in Art Sangster, the retiring member being returned to office.

A few of the young people of Rockyford and Tudor motored to Strathmore on Saturday evening to attend the party in honor of Miss D. Besse on the occasion of her birthday. They report a splendid evening.

Wedding Bells will ring at the Rockyford United church on Thursday, February 5th when Miss Agnes Melasac and Mr. Stanley Frayne will present themselves at the marriage altar. Rev. O. H. Rolfe of Turner Valley will return to Rockyford to officiate.

Friends of the above couple are sponsoring a shower and dance for

them in the Rockyford Hall on Friday Feb. 6th, with the Rosebud orchestra supplying the music.

Born to Mr and Mrs Emitt Fesser on Friday, January 30th a daughter. Both mother and baby are doing well.

The quarterly meeting of the Drumheller Deaneary branch of the C. Y. O. was held at Rockyford Friday, Jan. 30th, about 80 guests being present from Beiseker, Strathmore and Rockyford. In the absence of the Deaneary President, Tony Hazel, the meeting was called to order by the Vice-president Buster Henke. The minutes of the last meeting were read by the secretary Miss Albin Schmalz who also read several letters from former members of the C. Y. O., who are now in uniform. Their letters were expressions of thanks to the club for parcels sent at Christmas time. The Deaneary Chaplain Father Killen gave an address on the life and works of "St. John Boreas" the patronal saint of youth. The members of the Rockyford club served lunch and the Bosch family of Beiseker supplied music for a dance.

A good many pleasant evenings of bridge are being had as a result of the Tournament which the Red Cross Society are conducting. The first evening was held at the hall on Monday, January 26th when 12 tables of bridge alone was played. The men are playing together and the ladies by themselves. The playoffs are continuing rapidly and there is much enthusiasm as to which side will be the ultimate winners when they play together in about a week's time.

The Rockyford curlers Skip who entered his team in the MacDonald Briar Cup draw took his rink to Acme for the play. They made out well the first games on Wednesday, but in Thursday's play went down to defeat in both games. However they report a very nice game with the neighbors.

Mrs Otis Allen returned home from the hospital on Wednesday, Jan. 28th. She is still suffering from Neuralgia in her shoulder but otherwise is getting her strength back rapidly.

The position of agent for the Rockyford Telephone System has been taken over by Miss D. Hunter of Youngstown, this position being left open when Miss Agnes Melasac resigned in view of her approaching wedding.

## Pot Pourri

Education for an enduring morale must always place at the centre of the program an emphasis on the principles and duties of citizenship. Our people will not be coerced into accepting majority decision and closing ranks upon agreed-on policies. They must see and understand why this is essential and what the consequences of flouting this basic rule of democracy are likely to be. In times of crisis this is particularly important because there is so much at stake in national decisions, and unity through understanding is so vital.

But we can have unity that far exceeds the coerced uniformity of dictatorship if we can keep clearly in mind the obligation of the minority to abide by the decision of the majority until that decision is formally and efficiently changed by democratic processes. —(John W. Studebaker in "School Life.")

Go, little book, and wish to all Flowers in the garden, meat in the hall,

A bin of wine, a spice of wit,  
A house with lawns inclosing it,  
A living river by the door.

A nightingale in the Broomcove.  
("Wishes" by R. L. Stevenson.)

## ARDENODE — BERTA VALE

Ardenode—By Mrs. D. B.—  
Mrs. Godfrey, Sr. was taken ill suddenly in Calgary. We hope for a speedy recovery.

Mr D. Brook returned to the East on Saturday after spending a month's leave with his family.

Mrs Jim Godfrey had a surprise party for her husband's birthday on Sunday, January 25th.

Berta Vale—by H. W.—  
The annual school meeting will be held at Berta Vale school on Feb. 7. Mr Wheeler will be there to discuss enlarging the school or running a bus to Strathmore.

Mrs Chapman is quite ill. Mrs. Milo Fleming is the substitute teacher and is boarding with Mrs. Morton.

Mr Leonard Hilton attended the Agricultural short course in Calgary last week.

There have been ten January lambs born on the farm of Mrs. Owens.  
Berta Vale - Serviceberry W. I.—

The last meeting was held at the home of the president Mrs. A. Morton on Thursday, January 29th. There were 11 members and 4 visitors present, and one new member joined, Mrs. Eric Olsen.

It was decided to hold the meetings every two weeks and to start at 2:30 p.m. sharp.

The ladies made arrangements to have a whist drive in Berta Vale school on Wednesday, Feb. 4th. The proceeds were used to buy cigarettes for the men of the Berta Vale and Ardenode districts serving in His Majesty's Forces.

Mrs E. Way received a hearty hand-clap after reading a paper written by her for an institute meeting twenty years ago. It was entitled "How to keep young and beautiful," and caused many smiles and chuckles. However, although it was written 20 years ago, it had many points well worth remembering today.

A delicious lunch was served after the meeting adjourned.

The ladies will meet again on Feb.

## WORLD'S WEEK

BY HAROLD WEIR  
Associate Editor and Daily Columnist of the Edmonton Bulletin

Australia's cry to the mother country to help her beat off the threatening Japanese invaders finds British men-in-the-street unprepared for such a big Imperial problem and unhappy about the hard words from "down under."

Actually Australia's crisis overshadows the Great War debate at which Prime Minister Winston Churchill received such a triumphant vindication.

Australia's demand for an immediate seat in the war cabinet in London and the creation of a Pacific war council obviously impresses the British people deeply.

The romantically Empire-minded Churchill dislikes suggestions in some Australian sections that he is so taken up with watching Hitler and planning to meet invasion of the British Isles that he is neglecting the Empire.

Part of his deal with President Roosevelt involving the movement of American troops is therefore unlikely to be welcomed warmly either in Australia or Westminster.

But Churchill is in a challenging mood, determined to defeat all his critics and compel their support in the name of Empire and Anglo-American co-operation.

London newspaper have featured Australia largely recently. The Daily Sketch says—

"We do not appreciate the tendency in some quarters to throw Australia more and more into the arms of America."

The Daily Mail says—

"There are people in England

frankly puzzled at the urgent note of alarm sounded in the Commonwealth but their bewilderment is based on ignorance of geographic facts. Australia's danger is real, though it may not develop in the form of invasion for some time to come, if at all."

News that the doughty Gen. Edwin Rommel, Nazi commander in North Africa had turned against Imperial forces, has created mingled consternation and admiration among military circles in London.

It is still believed that Gen. Rommel's ally, with three armored columns is nothing, but "reconnaissance in force," but nobody is willing to bet on it and, in any case, it is agreed that he is behaving very badly and very brilliantly.

When Gen. Rommel first began to pummel our forces, it was thought that he was merely taking the temperature of the British forces opposed to him and attempting to discover how well they had gotten along in preparations for their next offensive against him.

Now there is some doubt about that theory.

What happens now will depend upon the British strength in armored vehicles and their disposition. It is not known where their forces are concentrated and it may be that they are not in a position to tackle him. It has been common belief that Gen. Rommel has not received many reinforcements and that his fuel situation is bad, and if this is true he probably is not in a position to go much farther against even a fairly weak opposition.

The fact that Halaya surrendered so quickly indicates that the garrison there had no hope of a real counter-offensive by Gen. Rommel.

Under the pressure of unprecedented attention from the British and American governments and the pressure of the Pacific war's exigencies, another attempt to reform the Burma road and eliminate the contraband and racketeering abuses which have dominated its 3-1/2 year career, is being launched.

The first step toward military control of the highway's traffic has been worked out with the approval of the Chinese government.

The new plan puts American army officers attached to Gen. John Magruder's military mission to Chungking in charge of traffic over the entire 1,400 miles of Burma-Yunnan highway from Yangoon to Kunming. The road is divided into two segments and an American office appointed to supervise each section in co-operation with Chinese officials.

To this extent the Chinese authorities, apparently with complete willingness and considerable relief have handed over to the Americans the responsibility for taming the Burma road and increasing its monthly tonnage totals of lend-lease war materials actually delivered to China.

On the other hand, it has not yet been made clear whether the road will be reformed to the extent of the inauguration of a military police system along the entire length, as experts have long urged.

Mr. King doesn't agree with the talk that election promises are made to be thrown overboard.

## CARSELAND

by R. C.

The observation of Educational Week began on Sunday, January 25th when the teachers of the Carseland School took charge of the evening service at the United Church. All the seats were occupied. The Principal Mr. Worger conducted the service and was assisted by Miss Gillanders who read the Scripture lessons and also by Miss Kennaugh who led in the prayers. Mr. McKenzie who was to have conducted the song service was unable to be present, but his Glee Club, accompanied by Miss Dick sang as a special number "The Church in the Wildwood." Familiar hymns were used through the service and the singing was accompanied by the organ by Zerah Clegg. Mr. Worger delivered a very helpful and challenging message, based on the two texts Matthew 28:19. Go ye into all the world and preach the gospel to every creature, and Luke 2:52, Jesus increased in wisdom and in stature and in favor with God and man. He traced very briefly the spread of Christianity down through the centuries emphasizing the fact that people were ready to suffer and die if needs be for the Christian cause. Dealing with the present day Mr. Worger stressed the importance of the home as a training centre for the children of today, and also the value of the church school, and Christian Education, through the C. S. E. T. and C. G. I. T. urging strongly the co-operation of parents in the four fold development of youth.

Tuesday, January 27th, was open school day when a number of the parents visited the classrooms during the afternoon sessions, observing the activities of the various grades.

Thursday evening, January 29th Mr. Ian MacKenzie and Rev. Mr. Pearson of Strathmore were guest speakers at a special meeting of the Home and School Association, when there was a good attendance. Mr. MacKenzie spoke on the various stages of child development, dealing especially with the Adolescent and the Pre-Adolescent child. Mr. Pearson spoke on Religious Education and the Nation emphasizing the need for Religious Education in connection with the School. A brief discussion followed these addresses and the President voiced the appreciation of the meeting.

Rev. S. Pike of Munson, was a visitor at the parsonage on Monday last. Mr. Pike was the guest preacher at Vulcan United Church last Sunday.

The Kline family left on Tuesday for Calgary where they will make their future home. Eric Kline was honored by his school chums on Saturday last at a party held at Glen Field's, following a skating party on the rink.

Mr. and Mrs. Archie McNeil and baby son Carter were week end visitors at the home of the latter's parents Mr. and Mrs. Stinson.

Pte. Geo. O. Moss, RCASC of Red Deer was a Sunday visitor at the homes of his aunts, Mrs. Stinson and Mrs. Ballard.

Word was received in Carseland last week of the death of Mrs. Garfield Davidson. She is survived by her husband who is overseas with the 77th Battery, Moose Jaw, also two daughters Onlu and Erlene of Moose Jaw. Mrs. Davidson was a former resident of Carseland, her husband being agent for the Pioneer Elevator in 1938.

At a meeting of the Quarterly Officers Board of the Carseland Pastoral

## NAMAKA

By M. W.

The Namaka Ladies Aid will meet Thursday with the Strathmore Ladies Aid at the home of Mrs. Hunt Thursday, February 19.

The January Red Cross meeting was held at the home of Mrs. Peterson with an attendance of 15. It was decided to furnish two damage bags. The articles sent to Headquarters for January were 1 woman's sleeveless pullover, 2 women's pullovers with sleeves 3 women's helmets, 1 man's grey turtle neck sweater, 4 pair Seamen's stockings, 3 pair Air Force Blue mitts, 1 man's grey scarf. The next meeting will be at Mrs. Colpo's home on February 26th.

The United Grain Growers are holding a picture show in the community hall on the afternoon of February 10, at 2:30 o'clock.

Mrs. Jim Bremner, Little Bobby and Mr. Rae Buker of Calgary spent Sunday with their mother, returning on the evening train.

The annual meeting of the Namaka Community Hall, was held in the hall on Monday evening with a good attendance. The secretary-treasurer's report was read, showing considerable progress was made during the past year. The election of officers for the ensuing year resulted as follows—President, Loy F. Wheeler; Vice-President, Alex Peterson; Secretary, E. W. Buker; Directors, Mrs. L. Aitkens, A. Ramsey, Ted Erickson; A hall improvement committee of three were elected as follows, H. A. Miller, H. E. Johnson, V. Watson. The improvement committee will work in conjunction with the other officers, and will work towards improvements to the hall from time to time as finances will permit.

Have gao other ratepayers and con-  
 sequently no complaints voiced, there  
 was very little that could be done.

A report was received from the town  
 property committee that a stove had  
 been found that would fill all needs of  
 the hall, and would be installed in  
 the near future.

Suggestion was made that before  
 some of the garbage was able to  
 constitute a menace in this warm  
 weather, the handyman might be able  
 to do something to alleviate the trouble.

A round robin petition was received  
 asking that consideration be granted  
 a ladies hockey team in finding a time

## The Week In Edmonton

## ● Opening of Legislature—

Second Session of the Ninth Legis-  
 lature was opened by the Lieut-Gov-  
 ernor Thursday last in a ceremony  
 shorn of all pomp. War time simpli-  
 city marked the entrance of His Honor.  
 In the Throne Speech, harbinger of  
 measure to come, reference was made  
 to impending debt legislation, exten-  
 sion of free cancer clinics, expansion  
 of the health unit program, continua-  
 tion of the municipal unit program, in-  
 quiry into The Workmen's Compensa-  
 tion Act. Also mentioned was the  
 movement to push Alberta's boundar-  
 ies northward and a survey of natural  
 resources are preliminary to a pro-  
 gram of post-war reconstruction.

● Inaugurating plans for post-war re-  
 construction, a three member commit-  
 tee has been named by the provincial  
 government to make a survey of the  
 natural resources of Alberta. Members  
 are Hon. N. E. Tanner, minister of  
 lands and mines, Hon. E. C. Manning,  
 minister of trade and industry, and  
 Dr Robert Newton, acting president of  
 the University of Alberta. The com-  
 mittee is still in the preliminary  
 stage, and it may be enlarged later.  
 Research and survey work will be  
 carried out, and the various data ac-  
 cumulated will be made available to  
 the dominion.

● Old Age Pensions came in for dis-  
 cussion among government members  
 at the caucus sessions, and it was stat-  
 ed by the Premier that the caucus  
 favored increases in these and moth-  
 ers' allowance payments. Some weeks  
 ago it was announced that the gov-  
 ernment is prepared to pay \$5.00  
 monthly to pensioners immediately  
 federal legislation is revised to per-  
 mit payment without loss to the pen-  
 sioners.

● The market for horses has been  
 decreasing over a period of months,  
 according to the statistical reports of  
 the department of trade and industry,  
 but a note of optimism was sounded  
 by the department of agriculture this  
 week. Because of gasoline rationing  
 and rubber shortages agricultural of-  
 ficials believe that the demand for  
 horses will show an early increase.  
 To the end of avoiding losses, the de-  
 partment is organizing promotional  
 plans for an early inoculation cam-

in which they might use the ice for  
 practice. Considering the trouble  
 that had already been experienced in  
 drawing up the schedule, expression  
 was made that it was only a shame  
 they had not applied before arrange-  
 ments were completed. The rink  
 committee were instructed however,  
 to try to complete arrangements with  
 the group.

paign against sleeping sickness. Al-  
 berta has a horse population of 657,  
 000. Several city firms have already  
 declared that they will return to  
 horse deliveries.

DALEMEAD  
D. V. VWEDDING  
NEWTON — HAHLE

A quiet wedding was solemnized at  
 the parsonage, Calgary, on January  
 27th at 2 p.m. when Irene, second  
 daughter of Mr and Mrs J. F. Hable  
 of Dalemead, became the bride of Mr  
 Homer Newton, second son of Mr and  
 Mrs R. Newton of Dalemead. Rev.  
 Morden performed the ceremony in  
 the presence of immediate relatives.

The bride wore a navy blue suit, and  
 carried a bouquet of roses. Her at-  
 tendant, Miss Daphne Van Der-  
 Velde also wore a navy blue suit. Her  
 bouquet was of carnations.

The bridegroom was attended by his  
 brother Mr W. Newton.  
 After a brief stay in Calgary Mr  
 Newton will go east to camp training.  
 Mrs Newton will make her home in  
 Calgary.

Mr and Mrs R. Vanaalstine returned  
 home from Millet after attending the  
 wedding of their nephew.

Mr and Mrs S. Pederson and Mr  
 and Mrs R. Vanaalstine attended the  
 reception held in the Lyalta Hall for  
 Mr and Mrs Players. Mrs Players was  
 formerly Miss Muriel Stewart.

Miss Olive and Mr Howard Vanaal-  
 stine entertained last Sunday eve at  
 supper a bunch of their young friends.

Miss Olive Vanaalstine will be the  
 new clerk in the Coop. Store at Dale-  
 mead after the 1st of February. Mrs  
 Clark having resigned as she will be  
 leaving the community for a while.  
 She will be making her home in Cal-  
 gary with her husband and son.

Mr Angus McKinnon has been very  
 sick with pneumonia, and has had a  
 special nurse for sometime. We do  
 trust he will be on the road to recov-  
 ery soon.

Little Miss Wilda Colwell has been  
 very ill with Flu. She is very much  
 better at present.

The Church supper was held in the  
 High School Bldg at Dalemead this  
 past week.

The Dalemead U. F. A. held a so-  
 cial evening in the local hall. Mr Col-  
 well presented moving pictures and  
 Mr Don McKinnon, our M.L.A. gave  
 a very interesting talk concerning  
 public and Government business. A  
 collection was taken up for the bene-  
 fit of sending a delegate to the an-  
 nual U. F. A. Convention held at Ed-  
 monton this year.

The U. F. A. sent Mr Hiatt to Ed-  
 monton as their delegate and Mrs  
 Wheeler was delegate for the U. F.  
 W. A.

Miss Edna Pederson is visiting her  
 sister Mrs E. McKinnon at Aldridge for  
 a few days.

A small crowd of neighbors surpris-  
 ed Mr and Mrs P. S. Pederson on Sat-  
 urday evening, it being their 28th  
 wedding anniversary. All report a  
 grand evening.

# VEERING VERTICALLY

Many of our friends are getting  
Worried  
About the forthcoming change  
To daylight saving time.  
It seems the younger generation  
Will have to stay up  
An hour later  
To get the same amount of moon.  
No reference was meant there  
To moonshine.  
Seriously we don't think it will  
Affect anyone to the extent  
That it is necessary to worry  
Over it.  
Some of the radio  
Programs, already operating  
On daylight saving will change  
But, we should be used to that  
By now.  
Mark for Booster's Club :  
Someone has put the town of  
Toronto, Fla. on the map  
Before the town has any  
Inhabitants.  
"Lieut. Schwartz, the Swiss  
Army officer, on a horseback  
Tour of Ireland, passed  
Through Loughrea and Gort  
On his way to Loughrea  
And Gort."  
And, says Punch, he couldn't  
Have chosen a better route.  
They walk like this upon the street,  
They're young and life is bliss—  
A thoughtless word,  
A lover's quarrel,  
And then they walk  
Like ..... this.

## INFORMATION RE SALVAGE

People everywhere are interested in the Salvage Campaign.

Up to the present it has been difficult to get any clear direction as to the gathering of material that will really help. After many conferences with the railway officials, a very reasonable freight rate has been given for Car load lots of 20,000 lbs. or more.

Sixteen divisional sortation points have been chosen and there are a number of licensed dealers in each place who will give a standard price for bones, fat and grease in packages, waste paper, magazines in bales or bundles, rags in bags, old rope, glass, bottles, rubber, including old tires and tubes, metals, scrap iron, steel,

aluminum, brass, copper, zinc, shoes, etc.  
A shipping certificate can be ob-

tained from the Department of National War Services and the local freight agent can furnish all particu-

lars.  
Calgary is our nearest Sortation point.

The Glass Works, at Redcliff, will pay \$5.00 per ton for broken glass.  
Sincerely, F. W. Gershaw.

# The Purchase of Sugar is Now Regulated by Law

As a prudent precaution, the quantity of sugar which may lawfully be consumed in any household is now restricted by law to an amount of three-quarters of one pound per person per week, and it is now unlawful to purchase more than two weeks' supply at any one time or to make any purchase if present supplies are sufficient for more than two weeks.

This step has been taken to conserve the satisfactory reserve stock of sugar in Canada and is an assurance to the consumer that there is no reason for heavy buying of sugar.

Ration coupons will not be used to enforce the sugar limitations in Canada. The supply of sugar in our country has been under control for more than two and a half years and the homekeeper has always been able to satisfy her needs; she will continue to be able to do so and the price ceiling law protects her against any increase in price.

The maintenance of the new regulation governing the purchase of sugar rests, as the success of all laws in a democratic country must rest, upon the loyal support of the people. Any consumption of sugar in excess of the quantity stipulated by this regulation is not only an offence against the law, but is also a betrayal of the war effort and consequently an offence against decency.

Reports received from retailers indicate that in some districts there has been misunderstanding of the requirements of the law. In some cases, people are under the impression that they should at once lay in a sufficient supply for two weeks; this of course is not necessary because a continued supply of sugar is assured. In other cases it has been assumed that a greatly restricted ration is to be made effective in the near future. This is incorrect because The Wartime Prices and Trade Board has already stated that the sugar supply situation is such that requirements of the consumer at the rate of three-quarters of a pound per week can readily be supplied.

As a means of protecting consumers from unknowingly breaking the law, it is suggested to retailers that, for the present, they limit sales to any one customer to an amount of not more than five pounds.

## Summary of Sugar Rationing Regulations

1. The ration is  $\frac{3}{4}$  pounds per person per week, including adults, children and infants, members of the family, boarders, servants, and guests who remain for four days or more.
2. Purchase your sugar in the ordinary way, but not more than two weeks' supply at a time. No coupons, stamps or tickets are required.
3. Do not purchase any sugar if you have two weeks' or more supply on hand.
4. Persons in remote areas who are not able to buy every week or two weeks may continue to buy more than two weeks' supply at a time, but should measure their consumption at the ration rate, namely  $\frac{3}{4}$  pounds per person per week.
5. Lumber camps and other firms providing board for their employees must see that consumption is restricted to  $\frac{3}{4}$  pounds per week per person, effective immediately.
6. Economize on sugar in every way you can; some people can get along on less than the ration. Persons dining in hotels, restaurants, etc., are expected to restrict their sugar consumption.
7. Additional supplies of sugar will be made available for home preserving and canning.
8. The restriction applies only to cane and beet sugars of all kinds—granulated sugar, icing sugar, fruit sugar, brown sugar, raw sugar, etc.
9. Industrial users of sugar, hospitals and other institutions, hotels and restaurants, will be advised by the Sugar Administrator how the sugar restrictions will affect them.
10. Retailers are entitled to refuse sale or to limit sales to any person they have reason to believe is attempting to disregard this law.

**Vigorous steps will be taken to punish wilful infractions of the law. The penalties provided are imprisonment for as long as two years and a fine up to \$5,000**

Issued Under the Authority of THE WARTIME PRICES AND TRADE BOARD, Ottawa, Canada

# what is a VICTORY BOND..?

A VICTORY BOND is the promise of the Dominion of Canada to repay in cash the full face value of the Bond at the time stipulated, with half-yearly interest at the rate of 3% per annum until maturity.

A Victory Bond is the safest investment in Canada. The entire resources of the Dominion stand behind it.

A Victory Bond is an asset more readily converted into cash than any other security.

National War Finance Committee, Ottawa, Canada

Buildings	
The Policy expires 1942-44.	
Furniture and Equipment	3500.00
The Policy expires 1942.	

I have examined the above Financial Statement, and to the best of my knowledge, believe the same to be true and correct.

H. MCGREGOR, Secretary-Treasurer, Strathmore, Alberta.

## — REMARKS OR RECOMMENDATIONS —

Books and Records in Excellent Condition. Audited and found correct.

I, L. M. Katterhagen hereby certify that I have examined all the books, vouchers, minutes of meeting, etc., of the STRATHMORE S. D. No. 1587 of the Province of Alberta for the fiscal year ending December 31, 1941, and I further certify that I have counted the cash and examined the Bank Books, or obtained information from the Bank regarding the Bank Balance, showing that there is a balance on hand represented by— Total Bank Balance— \$503.81.

I have found vouchers and authorization for all the items with the exception of none.

Date of Audit— January 24, 1942.

L. M. KATTERHAGEN, Official Auditor.

## TRUSTEES REPORT

Trustees Report to the Ratepayers of the Strathmore School District No. 1587 for their annual meeting held on January 29th, 1942.

Those serving on the Board are Mr. T. E. Wright, chairman; Mr. A. D. Shrimpton; Mr. A. V. McFarland; Mr. T. L. Chamberlain and Mr. M. S. Hirtle.

There were twelve meetings held during the year and the attendance of the Trustees are as follows.

Mr. Wright 12, Mr. McFarland 11, Mr. Hirtle 8, Mr. Chamberlain 9 and Mr. Shrimpton 10.

The Shop and Household Economic classes started last year are making excellent progress under the direction of Mr. MacKenzie and Miss M. Smith. We find that the students are keenly interested and they are bound to get very valuable training from both these classes that will be of use to them after they leave school.

We have received very fine reports from both the High School and Public School Inspectors and the Departmental examinations proves that our High School is one of the best in the Province.

## BOARD OF TRUSTEES,

Per H. McGregor,  
Secretary-Treasurer

## PRINCIPAL'S REPORT

To the Ratepayers,  
Strathmore S. D. No. 1587.

Herewith is submitted a report on the operation of the Strathmore Public and High Schools during the year 1941.

School was open during the Spring term 120 and during the Fall term 67 days, together with the 2 days of Convention this makes a total of 185 legal teaching days. The Provincial ban on the reopening of schools by reason of the wide-spread occurrence of infantile paralysis accounts for the shortness of the Fall Term.

227 pupils were enrolled, 104 boys and 123 girls. This includes the pupils from the Harwood and Cheadle School Districts.

The total in Public School grades was 164 classified as follows—

Primary School— 55.	
Junior School— 53.	
Intermediate School— 56.	
There were 63 in High School.	
The subjects taught in the Public School and the number of pupils studying each was—	
English	164
Spelling	127
Writing	164
Arithmetic	164
Social Studies	164
Science & Health	164
Physical Training	164
Art	164
Music	164
Mathematics	164
Dramatics	43

I hereby certify that the above information is in accordance with the books and records of the Strathmore School District No. 1587, of the Province of Alberta, and from the information given me I believe the same to be correct. I further certify that I have made a copy of this Report for the School District Cash Book.

L. M. KATTERHAGEN, Official Auditor, Rockyford, Alberta.  
Date— January 24, 1942.

Junior Business	8
Oral French	8
Community Economics	7
Home Economics	33
General Shop	25

With regard to this question of "Subjects" in the Public School it needs to be emphasized that those pupils are working under a so-called "integrated" programme, which stresses not subjects but attitudes, viewpoints, social outlook and an awareness and acquaintance with their own environment. Subject matter is only incidental to these other factors mentioned.

The Units of the High School Courses taught and the number of students studying each was—

Social Studies 1	25
Social Studies 2	31
Social Studies 3	15
Sociology	14
Home Economics	23
Vocations and Guidance	36
Physics 1	14
Typing 1A	26
English 1	23
English 2	24
Health 1	28
Chemistry 2	10
Trigonometry and Analytical Geometry	11
Biology 2	18
Algebra 2	11
Bookkeeping 1A	15
Geometry 1	16
General Shop 1	14
French 1	17
Physics 2	7
French 3	3
General Mathematics 1	7
Music 1	16
Geology 1	20
Art 1	12
Chemistry 1	17
Algebra 1	20

Besides the above, Correspondence Courses were carried by one student in Chemistry 1, by four in Latin 1, by two in Algebra 1 and by one in Art 1. These "Correspondence" students receive some supervision in school. All of these received credits for their Courses in June 1941.

The School had the largest number of Cadets in its history, 39. Much enthusiasm was shown by the boys, practically all eligible belong to the Corps. I should again like to commend Mr. MacKenzie for his splendid services in this work.

We should earnestly like to draw your attention to the following quotation from the January number of the A. T. A. Magazine. "The Department of Education is confronted with the task of revising the High School Programme of Studies. It is felt that no modern school programme of any kind can be expected to 'stay put' for any period exceeding five years' duration especially in these days of rapid change in social living and thinking. A plan suggested (copies of which will be printed and distributed by the Department) offers to teachers, parents and administrators the opportunity to study the principles and structure of the High School programme, prepare the ground for further revision and even lay the foundation for a new programme."

The results of the Grade IX and Grade XII examinations were not encouraging. Of 8 students in Grade IX, 2 were classified as "A", 2 as "B", 1 as "C" and 3 as "D". This means 5 could proceed to High School and 3 could not.

In Grade XII, the students attempted 63 credits and were successful in 45 or 71.4 per cent.

There was one change in staff during the year, Miss Jean McGregor resigning to be married. She had given the Board an excellent type of service for two years and was a fine influence on the children in her charge. Her place was filled by the appointment of Miss June Smith.

The only extra-curricular activities carried out this year were the School Fair and Inter-School Sports. Both of these were outstandingly successful. Because of the late opening of school there was no school concert at Christmas and there was no Musical and Dramatic Festival.

A large number of past students of the School have joined the various branches of His Majesty's Forces. It would be regrettable if a complete list of these were not available with a view to an honor roll to be placed in the School now and eventually to have some permanent record in their honor.

With this in mind we have prepared a list which is as complete as we can make it, realizing that there are probably some omissions and hoping to be notified of the same.

T. Glendinning, L. Melissen, D. Brown, W. J. Grav, R. Martin, D. Hirtle, A. Pritchard, H. Freeman, R. Hinchliffe, E. Wright, W. Snook, V. McNeill, R. Gordon, E. Hanon, J. Oldham, L. Brown, A. Grav, F. Hirtle, K. Wheeler, S. Slater, A. Lambert, L. Van Nieuwen, G. Pohlen, B. Freeman, O. Akermann, O. Colverson, A. Kermack, C. F. Cameron (former member of the Staff), Wilson Walls, A. Fraser, T. Fraser, C. F. Jones, F. Pridler, W. Keeling, B. Gilbert, E. Gilbert, Irene Pritchard, Ivy Foley, Carrie Melissen.

May I emphasize that we are anxious to make this list complete? Perhaps all of the foregoing seems, in this war-torn world, where all that we held sacred seems crashing at our feet, extremely unimportant, yet even in such times it is surely imperative to keep essential services operating as efficiently as lies in our power.

On behalf of the Staff we solicit your watchful and sympathetic interest in all that pertains to our schools and thank you— parents, students and Board, for the very large measure of co-operation that we enjoy.

S. H. CROWTHER.

## Local News Items

Can you beat this? A Leghorn hen's egg measuring 6 1/4 x 7 3/4. Surprised by the size of the egg found by Mr R. Brown while visiting at the Hilliard home last week, was tempted to measure the egg with the above result. As Winston Churchill said "some chicken", we would say—some egg.

Born, January 31st to Sgt. and Mrs Wm. Tew, twin boys—Alban Leonard, 9 lbs. and William James, 6 1/2 lbs., at Mrs McKenzie's Nursing Home, with Dr Giffen in attendance.

Mrs M. S. Hirtle received a wire Monday morning from Sackville, N.B. announcing the serious illness of her father Dr Dixon. Mrs Hirtle left by evening train Monday for Sackville.

Rev. Geo. W. Lang, formerly of Strathmore has resigned his charge at Okotoks, having joined the 1st Battalion Calgary Highlanders as Lieut. and is going on active service.

Born—January 30th to Mr and Mrs Lloyd Casson, a girl, January 27th—to Mr and Mrs Tom Oldham, Jr., a baby boy, February 2nd—to Mr and Mrs Edwin Cott in the Black Diamond Hospital, a baby girl.

Rev. Clegg will give the address at the Sunday School supper in United Church Friday evening.

Mr D. McMurray made a hurried trip to Winnipeg during the week.

Mrs Parker returned last week to her home, after a mastoid operation in the Holy Cross.

A meeting of the Strathmore Local U. F. A. will be held at the residence of W. E. Springthorpe on Saturday, February 14th. All interested in the U. F. A. activities invited to attend.

Mrs S. Hunt is entertaining the Nakama and Strathmore Ladies Aid at her home on Thursday, Feb. 12th.

Annual Supper under auspices of The Sunday School on Friday evening, February 6th. Beans 'n everything. Short program.

Rev. Leslie Pearson is attending the meeting of Synod being held in Calgary during the week.

The Sorosis Bridge Club will meet at Mrs Fessenden's home next week.

Mr W. H. A. Thompson, C. A. and son David of Calgary are this week studying the books of M. D. Bow Valley.

Mr S. F. Garriott was the U. F. A. delegate to the recent convention held in Edmonton.

Mrs Leslie Hand and Mrs Frank Bowlen entertained a number of friends at afternoon tea recently.

The Sorosis Bridge was held yesterday at Mrs Giffen's home.

Mrs Nola White invited a few ladies to tea Wednesday last.

Mrs Hunt spent several days in Calgary with her sister following the W. M. S. meeting.

Misses Frances Gray and Frances Jones spent Wednesday and Thursday in Calgary attending a Sunday School Conference.

Mrs McMurray, President of the W. M. S. went to Calgary with Rev. and Mrs Hunt Wednesday to attend the meeting of the Women's Presbyterian organization.

Lieut. Leslie Hand is arriving in Strathmore Sunday on a belated Christmas holiday. He will remain here several days, returning again to New Westminster.

Mrs E. C. Short has been suffering for several weeks from rheumatism. We hope for a speedy recovery.

Mr and Mrs Walter Mercer are receiving the congratulations of their friends on the birth of a baby boy in the General Hospital, Wednesday, Feb. 4th. Mother and son doing nicely.

A Strathmore rink comprising T. S. Hughes, Jas. Swanson, Jas. Gannon and Chas. Kimmitt journeyed to Glenora this week to take part in the bonspiel and won third prize in the Calgary Power Draw.

Thurston's Drug Store is serving a Special Boy Scout Sundae during Boy Scout Week, February 6 to 12 inclusive. Call in and get yours.

Mr and Mrs Newmeyer returned Wednesday from a three week's visit at the coast.

## COMING EVENTS

Saturday, February 7th—Junior Red Cross Tea in the King Edward Sample Room, arranged by Grade IX of the Strathmore High School. Come and help a worthy cause. Feb. 5

## A CORRECTION

In last week's Standard we stated that amalgamation between the U. F. A. and the parent body—the U. F. of Canada had been agreed on. This was in error. At the joint conference the feeling was fairly strong for amalgamation, but later when the two bodies met separately, a change of opinion took place, and the amalgamation is postponed for the time being.

## NIGHTINGALE

By M. H.

A well attended Women's Institute meeting was held at the home of Mrs Stoddley on January 23rd. Current events was the roll call. Mrs Rudd read a splendid paper on education. She presented a clear picture of what the new course of studies is trying to do for modern schools. Some thirty quilt blocks were turned in by the members and it is hoped to have at least two more quilts ready for tying. The new programs for 1942 were distributed. A delicious tea was served after the meeting.

Mrs. Farr and her sister Mrs McDonald are enjoying a visit with relatives at Aldrie and Bowden.

After being quarantined for five weeks, Reg Thurston went back to camp at Camrose.

Floyd Joel has recovered from his recent illness enough to be up and around once more.

A very pleasant evening was spent at the Nightingale school last Wednesday. A whist drive was first feature for the adults while the children played bingo. The Valley Garden orchestra furnished the music for dancing after lunch. A tidy sum of

## WINNIE GREET'S CANUCKS AT OFFICE

This is the seventh story about conditions in Great Britain and other European countries, written for the weekly newspapers of Canada by Hugh Templin of the Fergus News-Record.

There seems to be no doubt that Prime Minister Winston Churchill is the greatest wartime leader Britain has had throughout her long history. He took office at a time when the fortunes of Britain and the Empire were as a low ebb. Invasion of England seemed certain and the ability to resist successfully was doubtful. In the intervening months, Churchill has given the people new heart and has aroused such enthusiasm that England has stood up under bombing and threats with unparalleled courage. The danger of successful invasion appears to have passed. Powerful nations which feared that Britain could not hold out in the late months of 1940 are now her allies in 1942.

Winston Churchill has been visiting this continent. He came to talk over the unification of plans to win the war. Actually, his very presence and his effective speeches have done much to stir up the United States and Canada, as they had previously heartened the people of his own country.

A number of Canadian newspapermen met Winston Churchill while he was at Ottawa. Hundreds of other Canadians saw him during his brief stay. Perhaps I might add my story of a meeting with the great Prime Minister in his own office in London, after hearing him give one of his rare wartime addresses in the House of Commons at Westminster.

One More Wish Granted.

The British Council, acting as hosts to the group of Canadian editors in Britain, made an effort to gratify our every wish. They had laid out their own program before we arrived, but they were quite willing to alter it to include anything we particularly de-

## Important Elections Monday Next

The results of next Monday's by-elections carry greater significance than any that have been held in Canada for a long time. In Quebec East the new minister of justice is being opposed because the Government seeks to free its hands from the conscription pledge. Likewise the new minister of labor faces opposition in Welland for a similar reason. The difference is that in Quebec the opposition doesn't want conscription under any circumstances, while in Ontario they want it right away without consultation with the people at all. Quebec east and Welland, in their decisions, may decide the fate of the plebs.

—Lethbridge Herald

money was realized for the piano fund. Mr. and Mrs. Hilton Jr. celebrated their forty-third wedding anniversary on January 25. They were entertained at a family dinner at the home of Mr. and Mrs. Spence Hughes in Strathmore.

The dance at the hall last Friday sponsored by the entertainment committee was well patronized and the usual good time was enjoyed by all. Mr. and Mrs. Hendricks and Mr. Cullen and Miss Gibson were Calgary visitors last week.

Harley Harrison is expected home this week from Scoudoux, New Brunswick. He is with the R.C.A.F. and has been away for more than a year.

sired. Strangely enough, or so it seemed to us, the program did not include an opportunity to meet or even to see the Prime Minister. I believe that was because the people in London do not realize what an influence Mr Churchill exerts in Canada. They did not know how unanimously the residents of this country lay aside their work whenever he speaks over the air waves; they did not know that we regard him not only as the leader of the British Isles, but of the Empire.

When a request was passed on to E. D. O'Brien, of the British Council, he promised some action. It came at once, through the good offices of the Hon. Brendan Bracken, Minister of Public Information. Mr Bracken is young (somewhere around 40) and active. He has not held his post long. Before that he was secretary to Mr Churchill. He is, I believe, a bachelor and a rich man. Cartoonists delight in his features. He has one of the hardest jobs in England, the handling of publicity in wartime. I met him

several times during my visit and thought him capable, interesting and quite human.

Mr Bracken came around the next day with a message. We would not only meet Mr Churchill, but we were going to hear him speak in the House of Commons first. It would be his first speech before Parliament in more than three months. Arrangements were being made to find us seats in the galleries. Afterwards, Mr Bracken himself would take us to the Prime Minister's office and we could ask him any questions we liked.

A few mornings earlier, our little group had been greeted at Westminster by th officers of the Parliamentary Union and then had been conducted thoroughly through the Houses of Parliament by two titled guides. (Continued Next Week)
